### Comments / Recommendations:

(notes taken directly from Data Collection Sheets)

Some people are not doing there jobs. Lots of old trash, balloons from Memorial day. Some areas very dirty. Most cigs found around fire pits. Help!! Lots of trash being left by camps. Help!! Need more help. People are really messy this year. Too many cigarettes for a "Non-Smoking" beach. The miscellaneous 20 was small packages of Del Taco Salsa, which seems to be a favorite to leave on the beach. The Styrofoam was small pieces, too many to count. packages of Del Taco Salsa, which seems to be a favorite to leave on the beach. Many small pieces of styrofoam and small plastic wrappers. We added straws into plastic when we were picking them up. Many small pieces of styrofoam and plastic wrappers (1) Plastic: 24 bags, 10 plastic cups, 32 bottle caps; (2) Styrofoam: small pieces too many to count; (3) Paper: small pieces too many to count, 12 paper cups and 21 candy wrappers. Also found a beach ball and some sand toys, which we give to our neighborhood kids. Note: My husband and I walk the trail so this includes items from other areas (along the beach including North Beach), not just our area. Since it was a Monday and it was hot inland, there was more litter then usual.
