Comments / Recommendations:

(notes taken directly from Data Collection Sheets)

Need to do something about the snack bar at T street. They are serving something in plastic bowls with plastic spoons and it is a TOTAL MESS. Now I hear the snack bar at Calafia will be serving frozen yogurt - can't wait for that trash.. Again, there was a lot of plastic bowls & spoon at T Street snack bar. Pens are mostly from Fishermans when they wash the deck or pier off. I had the misfortune of seeing 2 seagulls fight over a swallow 1/2 can of soft bait. 2 more dead birds.. Most cig butts found within 10 ft fire pits cypress shores.. Found drivers lic. & c/c found & returned to owner. Most cig butts found within 10 ft of fire pits at cypress shores.. We were on the beach early and just after the beach sweeper had groomed the sand.. Many small pieces of styrofoam and plastic wrappers Beach was cleaner; Path was filthy.

On initial count, we divided both paper and plastic into regular and tiny; the total includes both. "Misc." includes: food containers (w/food remnants), food, foil, pieces of clothing, cigarette packs, metal spoon, pen, elastic hair bands, barrettes, rubber wine corks. Tide was rising; day was partly cloudy (not clear or overcast.). Lots of glass.
