Comments:

(as noted on Data Collection Sheets)

It rained yesterday (10/6) so there were lots of styrofoam pieces (so much it makes you sick and want to ban styrofoam),  
lots of pieces of paper, and lots of cigarette butts. Bottle caps about 40. Much was run-off from the ravines at the Riviera and Montavlo.  
Many small pieces of styrofoam and small plastic wrappers. 8 glass bottles; 4 plastic bottles  
many, many, many small pieces of styrofoam  
Exposed cable in sand at North end of beach should be covered.
