Many small pieces of styrofoam and small plastic wrappers  
Pick up was in The Riviera Beach area and then I walked along the beach to T-Street and picked up along the shore.  
many small pieces of styrofoam and plastic wrappers  
Exposed cable on the sand running along one of the fire pits should be covered over.  
Most of this was found in the area where the rain washes down the hill and leaves a ravine; lots of styrofoam; lots of paper in the sand.  
The beaches are looking much cleaner this month.
