Comments / Recommendations:

(notes taken directly from Data Collection Sheets)

Great support from state lifeguards- they gave us bags and latex gloves. June was a relatively clean July at Lost Winds. Most wrappers were from kid snacks and there were a lot. Noted that there is considerably less trash since the first cleanup in May. For a Monday after the Ocean Festival it was very obvious that someone (I suspect the City staff again) had picked up large material before we were there. Except for small stuff it was very clean. Kudos again to the city!! Lots of litter around trash cans –maybe when full the pick-up people spill stuff when removing bags and leave a mess. *this count includes whole containers and pieces. LOWER LINDA LANE PARK CONTINUES TO BE A PROBLEM: Immediately behind the bench in Lower Linda LanePark, in the bushes, we found the following: (1) aluminum BBQ tray, (1) Razor Scooter; (18) alcohol bottles, included above; (1) **HYPODERMIC NEEDLE W/ SYRINGE**; Several dozen cigarette butts. Many small pieces of Styrofoam. Many small pieces of Styrofoam, paper and plastic bottle lids. **8 nails!** Brand new – scattered near railroad rocks (on beachside) I hope this was accidental and not placed there on purpose!! The beach was remarkably clean considering this was just after July 4th! I am wondering if another team cleaned yesterday? Tons of bottle caps (plastic), Balloon waste 20+ , Beach Toys 20+. I went down right after 3 groups went by to pick up trash. I wonder what they picked up? Surf camp are leaving a lot of trash some worse than others. Black straws from Fishermans (46). Most trash by pier. What happened to the help? Most small trash snack wrappers and Styrofoam cup pieces. Again, most wrappers from snacks for kids sandwich baggies. Real Bad (7/3 No Califia/Linda Lane) Send in the troops. Mostly black straws found under pier from Fishermans rest along with 10 coasters & several packets of sugar. They must have just hosed it down. The trash can at Cottons is still overflowing and the extra bag is full. I collected 171 caps between So Gate and Upper Trestles. Sorry I haven't been more help buy my back has really been sore from all the trash. The bending over is murder. Starting to feel a little better hope to help more. Mostly small trash snacks sty. cups pcs hard plastic. Pretty clean. I don't know where all the cig butts #'s come from but I don't find that many & I'm looking.
