Comments / Recommendations:

(notes taken directly from Data Collection Sheets)

Lots of sunflower seeds, lots of plastic wrappers, lots of coat hangers/Nothing really unusual except for 3 foot metal rod/Trash under mariposa access bridge and off inland side of elevated coastal walkway – slopes and barriers prevented pickup. **Does/can city pick this trash up?/** Participating in this cleanup were Isobel Pelham, Barry Wood, Loren Wood (a teenager who willingly arose from deep slumber at 7am on a Saturday!!!)
NOTE: THE NUMBER OF CIGARETTE BUTTS IS CORRECT: **778** (area cleaned Mariposa Point to Corto Lane RR crossing, including Linda Lane mid/lwr park and beach trail)/ Plastic & paper wrappers Styrofoam too numerous to count/paper Styrofoam too numerous/Two of the city cleanup guys were down there the same time as we were. This has happened before. **Is there some way to coordinate our schedules so we are not all there at the same time?/** Plastic, stryofoam & paper too numerous to count/Most cig butts found in and around rocks/most cig. Found by pier, north side pier. I see condoms all over but I'm not touching them. (area - Capo Shores Mobil Home Park to North Calafia)/Most cig butts found around fire pits and picnic tables/
